we dedicate.....

TO OUR PARENTS
OUR GUIDING LIGHT

Through the years we have always come to you with our troubles and heartaches and now that we are Seniors, we wish to dedicate our annual to you in thanks for the endless hours you have spent for us.

Many times we have strayed from the right path, but you were ever there with a helping hand to guide us back again. Now that we stand here on the threshold of a new life, we pause for a moment to thank you from the depth of our hearts for all you have done and we will endeavor to show our appreciation in the years to come by being the kind of young men and women which you expect us to be. You have truly been our guiding light.
